

Jeff Behary · underground artist

MUSEUM CURATOR · ELECTRICAL HISTORIAN · ENGINEER · DISSIDENT · HIGH VOLTAGE PROPS FOR TELEVISION

phone: (954) 253-3529

I dreamed my whole life of being front page on the BBC, but instead something better happened: My best drinking buddy landed the spot. It was accidental. Possibly my fault. But a beautiful accident. Much like the rest of life.

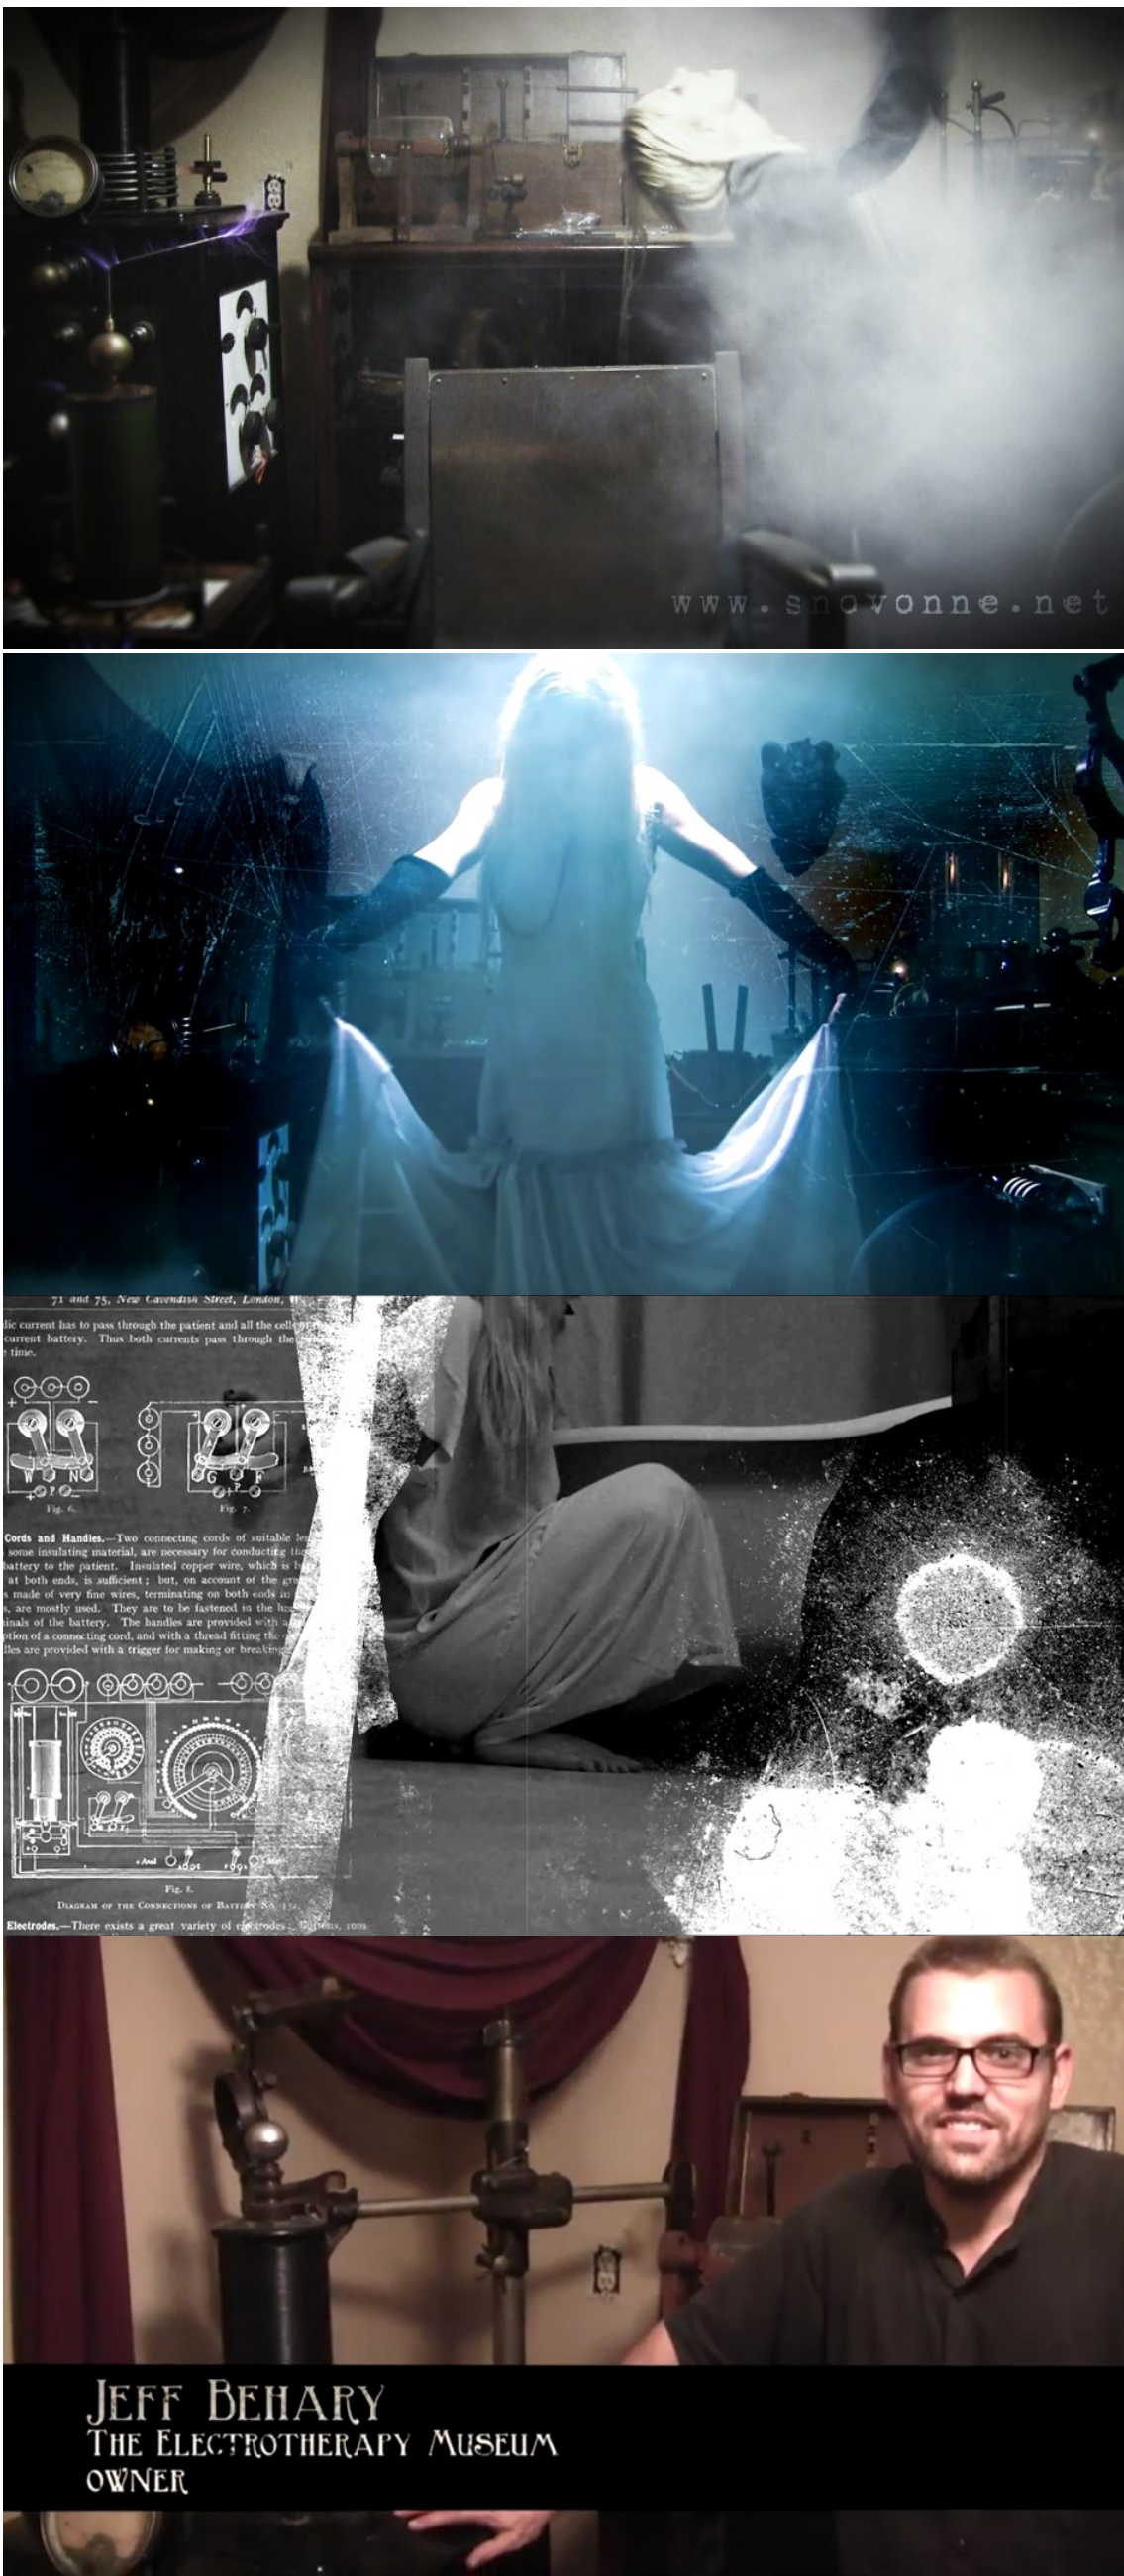

Large Tesla Coil engineered and built by Jeff Behary for OSHA training and special effects

National Geographic's series "American Genius"

Gift from Nikola Tesla's closest relative William Terbo.
I have been considered one of the top authorities on the work of Nikola Tesla, and am grateful and honoured for that.

Dedication: Nikola Tesla, Frank Jones, Bill Wysock, Jim Hardesty, Graham Foulkes, William Terbo, Thomas Burton Kinraide, Frederick Finch Strong, Harry Goldman,
